

G-Tek® Posigrip Max™

18G Seamless knit glove with nylon/spandex blended liner, POSIGRIPMAX coating on palm & fingers.

- PosiGrip® MAX Technology is a new, highly innovative coating designed to offer exceptional grip, durability, and comfort.
- PosiGrip® MAX gloves require up to 40% less force than traditional Nitrile (NBR) gloves for pulling and catching tasks, while offering nearzero oil permeability, to keep hands dry and clean.
- With PosiGrip® MAX, combine superior grip in oily conditions with a second-skin feel, without compromising on protection.
- 18 gauge for exceptional dexterity.
- Up to 30% lighter than standard gloves, ideal for prolonged use.
- The knitted cuff prevents dirt and debris from entering the glove.
